SOURCE Yerevan.YEREVAN ACCUSES DASHNAKS OF TREACHERY

The treacherous Dashnaks and their sympathizers occupy an important place among the paid agents of the Anglo-US war-mongers in the Near East.

In Lebanon, Syria, and Egypt, the members of the Dashnak Party are known as the enemies of all liberal, progressive, and peaceful forces. The criminal characteristics and activities of the Dashnak leaders are being exposed daily.

Recent Dashnak activities in Lebanon have again proved that they are the paid agents of their Anglo-US masters and are willing to carry out their orders.

It is well known that the Foreign Minister of Franco's Spain visited Lebanon at the suggestion of the US imperialists with the hope that he would be able to persuade the Lebanese government to join the Mediterranean bloc.

Workers and patriotic Lebanese, fully aware of the real purpose of this visit, gave expression to their hatred toward him through mass demonstration and demanded his expulsion from Lebanon. A group of armed Dashnaks opened fire on the peaceful demonstrators, killing an Arab worker and seriously wounding an Armenian young man.

There is no question that this criminal deed of the Dashnaks will be condemned by patriotic and honorable Armenians and foreigners.
